“As a winery and as a family, we grow grapes, we make wine, we nurture a garden, we cook with the food we grow, and we count our blessings. This is what we do, and we love it.”

- JACK CAKEBREAD

VINEYARD TO TABLE

Our Culinary program was founded more than 30 years ago with the intention of bringing together quality wines, great food and memorable company. At our private events, our wines are thoughtfully paired with dishes featuring local, seasonal and environmentally sustainable ingredients — many from our own culinary gardens and orchards. Our dedicated team of Winery Chefs share these Napa Valley flavors with our guests at the winery and around the globe.

Executive Chef Brian Streeter has been highlighting the world-class wines of Cakebread Cellars with seasonal, produce-driven menus since 1989. He is the co-author of the *Cakebread Cellars Napa Valley Cookbook* and *The Cakebread Cellars American Harvest Cookbook* (Ten Speed Press).
