2025 VIN DE PORCHE ANDERSON VALLEY

Our 2025 Vin de Porche Rosé presents expressive aromas of fresh raspberry complemented by hints of watermelon, lychee, and kaffir lime. On the palate, lively flavors of strawberry and tart cherry unfold alongside red plum and Honeycrisp apple. Bright acidity and a light, refreshing structure carry through to a juicy, polished finish.

VINEYARDS & VINTAGE

Our Vin de Porche Rosé is crafted from Pinot Noir that is grown at our Annahala Ranch estate vineyard in Anderson Valley, where select blocks are farmed specifically for rose production. Situated near the Pacific Ocean, Annahala Ranch benefits from warm afternoon sun tempered by cool marine breezes. This coastal influence allows the fruit to ripen slowly, preserving bright acidity while developing balanced flavor and aromatic complexity.

The 2025 vintage started with ample winter rainfall that gave vines an abundance of water for healthy growth with minimal irrigation throughout most of the growing season. Summer temperatures remained below average in Anderson Valley, with very few heat spikes and cool evenings for slow but steady canopy and fruit development. Cooler temperatures persisted throughout harvest which allowed for extended ripening that reserved very fresh acidity. It was an ideal growing season for our Rosé.

WINEMAKING

Select clusters are hand-harvested at night to maintain cool fruit temperatures and preserve fresh aromatics. Whole clusters are lightly pressed for optimal juice quality. The majority of this wine is fermented in stainless steel tanks with careful temperature control to ensure full development of varietal character. A smaller amount is fermented in concrete NuBarrel without temperature control.

GRAPE VARIETY

100% Pinot Noir

VINEYARDS

Anderson Valley

HARVEST DATES

August 26 – September 3, 2025

WINEMAKER

Niki Williams

NOTES

ALCOHOL

12%

ACIDITY

.690/100 ml

PH

3.18

BOTTLED

February 27 2026

AGING

5 months in stainless steel tanks (96%) and concrete NuBarrel (3%)
